<https://www.schengenvisa.info/france/entry-requirements/>

Please note that in France, a driving licence is not accepted as a valid travel document, so a driving licence is not enough to prove your identity at a checkpoint! This does not mean, of course, that your own driving licence is not valid for driving outside the country!

## GENERAL INFORMATION

Requests for changes of any kind (change of name, change of data, cancellation, change of positions) can only be accepted in justified cases until 17:00 on January 17, 2024 (Wednesday), only for a change fee.

### Voucher

You can find the voucher in the attachment of the e-mail you received from us, you can see what services you have requested! Save it to your phone, you don't need to print it, protect the trees! It is important that the voucher is required to receive your accommodation, ski pass and any booked extra services (you can also download this from your reservation at any time). If you have not received a voucher, please inform our customer service (it was not sent in case of unpaid bookings).

The official currency of France is the Euro. It is not possible to exchange money on site, but there is an ATM in the city. In the Snowattack shop and Arena, you will be able to pay by bank card and cash.

Please take extra care with your valuables, the doors of the rooms and the storage room must always be closed! Pay particular attention to the commotion during departure and arrival. Never leave your luggage unattended. Neither the region nor the travel agency can take responsibility for valuables left unattended (in particular: ski and snowboard equipment left on the balcony or in the corridor)!

Some houses have free Wi-Fi, at other receptions (but not in all houses!) you can switch to paid internet, the price of which is 25-40 €/week (works from 1 IP address).

We recommend that you switch to a higher data rate with your own mobile provider for the duration of the Snowattack, because there are not as many Wi-Fi boxes available as there are rooms in the accommodation.

During the week, we will communicate all important information in Snowattack's official "Eventure" application. It is important that you download the application as soon as possible and do not forget to check whether you have enabled notifications. 🛎

You can find the add for android [ITT](#) , for IOS [ITT](#).

Identity card, bank card, insurance policy number, euro cash, cleaning agent (depending on the accommodation), dishwasher tablets (depending on the accommodation), toilet paper (depending on the accommodation), towel (depending on the accommodation, swimming trunks/swimwear, bed linen cover (if not included in your package, or you did not apply separately).

## SNOWATTACK HOUSE RULES

By purchasing an admission ticket and/or entering the venue, you automatically accept the rules and regulations of the event. If a Snowattack wristband has been purchased, the voucher will be exchanged for a wristband by Festival Travel International Ltd (hereinafter Festival Travel) staff at the time of accommodation booking. The wristband must be worn by the Visitor at all times during its validity and will be checked by the Organisers upon entry to the venues and programmes. If the Visitor's wristband is damaged or expired, he/she must leave the Event area.

### **VENUES HAVE LIMITED CAPACITY, PLEASE ARRIVE EARLY!**

Given that the programmes and services are provided by Festival Travel in cooperation with a large number of Intermediaries, subject to the performance of these Intermediaries, their availability, content, quality and quantity (e.g. the performance of particular performers, the suitability of their performance to meet expectations, or the possibility of attending a particular programme and/or venue) is not guaranteed to the Visitor by Festival Travel but is subject to limitations imposed by the specificities of the venue and its facilities (e.g. the capacity of certain enclosed venues).

The Organisers reserve the right to limit the items and equipment that may be brought into the Venue area in order to ensure the safe conduct of the Event.

The Organisers will comply with the French covid-19 and other legislation in force at the time in relation to the organisation and running of the Events in order to ensure the safe running of the Event.

The Visitor is not entitled to bring beverages, alcoholic or soft drinks, onto the premises.

The Visitor acknowledges that the Events may be audio and video recorded by Festival Travel and by Contracted Partners, Contributors, Press Staff (subject to the terms of their specific contracts), other Visitors and other third parties licensed by Festival Travel. Accordingly, by participating in the Event, the Visitor expressly consents to the recording and communication of his/her face, appearance and manifestations, on the understanding that he/she may be named only with his/her express consent. If the Visitor is a public figure, he may be named without his consent. The author of the aforementioned representations shall have an unrestricted, transferable and exclusive right of use, in space, time and manner of use, in respect of the Visitor.

Festival Travel and the persons licensed by Festival Travel shall be entitled to exploit, use (in particular for the promotion of the Event), reproduce, publish, adapt, publish, transmit to the public and distribute the visualisation in relation to the Visitor without any limitation and without any obligation to provide any consideration whatsoever to the Visitor.

Festival Travel's suitably qualified and licensed Facilitators will ensure that the rules of conduct and safety are enforced in the venues. By participating in the Event, the Visitor expressly agrees to cooperate to the fullest extent permitted by law with these Intermediaries and to follow their instructions in the event of an emergency or where other important circumstances (such as public health reasons) so warrant. Contributors are entitled, where appropriate, to confiscate equipment (e.g. speakers, guitars) which disturbs the rest of others for the duration of the Snowattack.

The consumption of drugs is also prohibited on the event!

Using the cloakroom in the Snowattack Arena costs at 1 euro/coat.

## LOCAL TRANSPORT

The observance of the rules of the Highway Code is mandatory throughout the festival! Security personnel will be on duty on the roads at all times, especially at night. Their instructions must be followed by all participants and staff of the camp!

Please comply with the following points to ensure that the event runs smoothly!

1. Between 20.00 and 22.00 we will introduce a grace period, so only get in the car if you really have to do something important (you can drive freely between 8.00 and 20.00)
2. Between 22.00 and 8.00, please do not use your car, for your own safety and the safety of other festival-goers.
3. Driving under the influence of alcohol or other mind-altering substances is prohibited throughout the city! In order to detect drunk drivers on the roads, the local police will be constantly probing the roads!
4. In case of illegal parking, 100 euros will be deducted from the apartment deposit! In case of serious obstruction of traffic, the local police may immediately tow away the illegally parked car and impose a fine!

### **PARKING**

In addition to following the general traffic rules at the event venue, please pay extra attention to parking!

All passengers arriving by car may choose to park their car in a covered garage or in the open air during the festival. Covered parking at the reception of the apartment buildings is subject to capacity and is only available on a limited basis for a fee.

If you buy a covered garage:

1. In any case, you can only park in the parking lot of the booked apartment house! The price varies from €50 to €80 per accommodation, which you can pay in cash on the spot.
2. During the week, you must always park in the same parking space where you have been allocated!
3. Please reserve only 1 parking space in the covered garage for your car, so that others can fit!

If you park outside:

Please park only in the designated car parking area! Make sure that you do not stop (even for 5 minutes!) in the area reserved for buses / bus stops, as you will be towed immediately!

## ARRIVAL AND CHECK-IN PROCEDURE

When arriving at the venue, please be aware that on the day of the tour changeover, nearly 25,000 people will have to arrive and move into the city in a matter of hours! Please follow the rules so that everyone can get to their accommodation as soon as possible!

### **GENERAL RULES IN THE HOUSES**

Room keys in most apartment houses also open the storage room to the room.
